RESILIENT CODERS LAPTOP AGREEMENT FORM

We have laptops you can borrow for the duration of the Resilient Coders Bootcamp program. By borrowing a laptop, you understand and agree to the following:

JC a laptop will only be available to borrow for the duration of the program. Upon completion of the program, we ask that you prepare to return the laptop no later than two weeks after graduation. Failure to return the device will result in Resilient Coders withholding your final check.

JC a laptop may be available after graduation, only if you choose to enroll in the post-program alumni support program. However, you must request an extension with the Executive Director.

JC if you are redirected from the bootcamp program, we will hold your last paycheck until you return the laptop at one of our locations (CIC Philadelphia or CIC Cambridge). We ask that you prepare to return the laptop no later than two weeks.

JC understand that a tracking software will be installed by the Resilient Coders staff, as a precaution to the device being lost or stolen.

JC routinely backup your work to another source. We recommend any combination of Google Drive, Github, Dropbox and/or an external Hard Drive.

JC understand that if you break or damage the laptop, you will be expected to replace it.

JC agree to fill out this survey when my laptop arrives.
